

## REMARKS

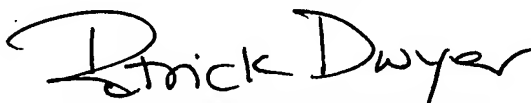

Claims 19, 21, 23-31 and 33-49 are pending in the application.

By this Amendment, Claim 25 has been amended to correct the typographical error noted by the Examiner. These amendments add no new matter to the application.

A terminal disclaimer was filed on April 26, 2007 to obviate the double patenting rejection over US Patent No.6,929,808.

Applicant believes that it has responded fully to all of the concerns expressed by the Examiner in the Advisory Action, and respectfully requests that the amended claims be entered, and that early favorable action be taken. If the Examiner has any further concerns, Applicant requests a call to Patrick Dwyer or Rebecca Eagen at (425) 823-0400.

Respectfully submitted,

PATRICK MICHAEL DWYER
